---

The homeowner has read and understands the guidelines for the installation, maintenance, and use of the EV Charging Station.

The EV Charging Station must be installed in a parking spot specifically designated for the unit of the homeowner. The Charging Station will not encumber onto any other common property. The homeowner understands that in the event of a change of ownership, the new homeowner is made aware that they will be liable for all duties, responsibilities, and liabilities of the charging station. (Please initial)\_\_\_\_\_

Please provide a Pinellas County permit and a document which includes the placement, design/diagram, measurements and materials to be used. Additionally, provide the Vendor's Name, Address, License Number and Certificate of Liability Insurance.

Provide a Certificate of Insurance naming The Village at Bentley Park Homeowners' Association as an additional insured for any claim related to the EV Charging Station on your homeowner's insurance. This should be done before construction begins and within 14 days of HOA approval.
